

# MORE TIME FOR MEMBERS

MEET ZENGINE, WIZEHIVE'S ALL-IN-ONE APPLICATION-MANAGEMENT SOLUTION FOR ASSOCIATIONS

Are your members dealing with cumbersome processes to apply for your scholarships, awards, or other programs? Is your team spending too much time chasing down applications, reviewers, transcripts, and reports? Are you ready to get back to focusing on a superior membership experience?

WizeHive helps associations simplify and save time with Zengine, a cloud-based platform designed to streamline the collection, review, and management of applications for grants, scholarships, fellowships, and countless other programs.

End email chains, file folders, and bloated spreadsheets. Stop working in separate systems for each kind of program you manage. Zengine lets you do it all easily in one cloud-based platform, even integrating with other systems, simplifying your life.

Zengine is the only platform that:

- Can be tailored to your process, not the other way around
- Can easily manage multiple application processes, from grants to scholarships to fellowships
- Can integrate with more than 1000 other software programs, including AMS programs like Personify, for the ultimate in streamlining solutions
